Thank you for choosing us as your healthcare provider. We are committed to the success of your medical treatment and care. Please understand that payment of your bill is a part of this treatment and care. Our fees for services, including office visits and surgeries, are based on the level of professional skill required, the severity and complexity of the injury or illness as well as the time spent treating you. Please do not hesitate to inquire about the charges for our services, however, a precise estimate in advance may not be possible.

Insurance & Insurance Collection:

We make every effort to make sure your paperwork is filed accurately and promptly. We may bill your insurance as a courtesy at no expense to you. However, we will only bill insurance that has appropriate documentation presented at the **time of service**. Secondary or other insurances that you may have must be presented at **time of service** if it is to be billed.

Each physician in this practice bills separately. You will not receive a statement until there is a patient balance. You may receive more than one statement if you see more than one provider in our office.

It is the patient's responsibility to inform us of any changes in insurance and to present the appropriate documentation. Failure to do so could result in any balance being transferred to patient responsibility.

If your insurance company does not respond within 30 days, as required by law, you may be held responsible for all charges. We will not submit more than two claims to your insurance company. Failure of your insurance company to respond will result in automatic transfer of the balance to your responsibility.

In order to provide you with the highest quality service, while keeping our billing costs low, we offer paperless patient billing through Breeze, our online patient portal.

WE ACCEPT ALL MAJOR CREDIT CARDS, DEBIT CARDS, CHECK CARDS, CHECKS* AND CASH.

Please understand that all personal balances are due within 30 days of receipt of the statement. We strongly recommend that you use the Breeze Patient Portal to satisfy your balance as it becomes due. Any returned checks will result in a \$25.00 charge to your account and no further checks will be accepted. We may agree to accept installment payments on your account balance in the form of a payment plan. Please inquire directly with our billing office.

Participating Plans:

We have agreed to accept the discounted rate from many insurance plans; however, all co-insurance, co-payments and deductible balances are patient responsibility. Patient balances are due within 30 days of receipt of the statement. **You** are responsible for getting proper authorization/referral information in advance of your appointment. In the event that you do not have a valid authorization/referral at time of service, you may reschedule or sign a disclaimer that states you understand that there is not a valid authorization/referral in place for the service and that you will be responsible for the charges in the event your insurance company denies payment. Failure to obtain an authorization/referral or refusal to sign the disclaimer may result in rescheduling your appointment until this procedure is complete.

Non-Participating Plans:

We may bill your insurance as a courtesy. Our office, as a convenience and a service to you, will absorb all costs incurred for billing. However, failure to present appropriate documentation regarding your insurance coverage or changes in insurance coverage will result in balances being transferred directly to patient responsibility. In the event your insurance company does not respond within 30 days, as required by law, you may be held responsible for all charges. You have the right to request a Good Faith Estimate from us at any time.

Secondary & Tertiary Insurance:

Having more than one insurer DOES NOT necessarily mean that your services are covered 100%. Secondary and tertiary insurers will pay as a function of what your primary carrier pays. We may bill your secondary and tertiary carrier as a courtesy if proper information is received **at time of service**. You are responsible for any balances after your insurance(s) has cleared.

Self Pay and Uninsured Patients:

Patient balances are due within 30 days of receipt of the statement. You have the right to request a Good Faith Estimate from us at any time. We may be able to offer a discount, agree to a payment plan or help direct you to other resources. Please inquire directly with our billing office.

Payments sent directly to Patient:

In the event your insurance company sends funds directly to you instead of our office, you can endorse the check and send it directly to us or forward a personal check for no less than the full amount sent by the insurance company, along with copies of the documentation supporting that payment to insure your account is properly credited. Funds received by the subscriber results in automatic transfer of the complete balance to patient responsibility, no secondary insurance will be billed, and no payment plan considerations will be given on the portion of funds received by the patient or subscriber.

Usual & Customary Rates:

Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of the insurance company's arbitrary determination of usual and customary rates.

Minor Patients and/or Divorce Decrees:

This office is not a party to your divorce decree. Adult patients are responsible for their bill at the time of service. The responsibility for minors rests with the accompanying adult. The adult accompanying a minor and the parents (or guardians) of the minor are responsible for full payment.

Authorization & Consent:

I have read, understand, and agree to the above Financial Policy. I understand that the charges not covered by my insurance company, as well as copayments and deductibles, are my responsibility. I understand that in the event any unpaid balance is placed for collection with any third-party collection agency a fee of the unpaid balance will be added to the total amount due. This amount shall be in addition to any other costs incurred directly or indirectly to collect amounts owed under this agreement such as court costs, attorney fees, late fees and any other fees so stated elsewhere.

I consent to and authorize that my insurance benefits can be paid directly to Summit Orthopaedics LLP, Go To Ortho LLC, and/or the provider's associated with the practice.

I consent to and authorize my physician to release pertinent medical information to my insurance company when requested, or to facilitate payment of a claim.

I consent to and authorize that Summit Orthopaedics LLP, Go To Ortho LLC, and/or the provider's associated with the practice can appeal payment denials or other adverse decisions on my behalf.
